Good morning all,

Happy Friday!

This week, the CD13 team outreached a total of 14 hours and spent 3 hours reviewing and completing paperwork. The team participated in a mandatory PATH training on Mental Health First Aid on Tuesday, June 7th, 2016, and did not participate in the M&O event on Wednesday due to the need to assist a client at their Housing Authority appointment. The team will make up their missed hours in the field during the following week. Below is our weekly summary, please review.

This week, we worked with approximately 16 people

- o Of these, 6 of the 16 contacts were new contacts, and we saw several individuals multiple times.

Juanita Street was the most populated street this week.

4 clients currently have HACLA housing vouchers and are in the process of searching for homes:

1 client, went on June 8, 2016 for her HACLA voucher interview.

1 client, was matched to HIV housing and has an interview next week.

1 client, was referred to Senior Housing in Van Nuys.

- Of these, 1 client will need pet-friendly options

Approximately 6 people may have been identified as the most vulnerable clients

Special notes and request:

- A couple was transported to HACLA regarding voucher
- One client signed his lease and has moved into his apartment (YAY!)

CES

- 2 completed this week

Veterans

- The outreach team worked with 1 Veteran this week
 - – team assisted reconnecting veteran with his VASH worker.
